

## **Press Release – August 22, 2014**

**Tiger International Resources Inc (TGR.V)** announces that a director and an officer, Patric Barry and Coleen Barry, have exercised share options in the company. Patric Barry exercised 230,000 options and Coleen Barry exercised 200,000 options, taking the total number of common shares on issue to 9,346,914 . Both Mr. and Mrs. Barry state they are holding their shares in Tiger International as a long term investment and that they have no present intention of placing them on the market. The company is planning to offer a new share option plan to the company's shareholders at the next General Meeting of shareholders, yet to be scheduled.

Tiger International's main asset is the Itogon Gold and Silver Project in the Philippines which is managed and operated by ECR Minerals from London, England. ECR is funding the further exploration of the project and has the right to earn 50% ownership in stages. Both ECR and Tiger have expressed confidence in the potential of the project.
