Press Release - February 4, 2005 Tiger Participates In Saskatchewan Oil Well

Patric Barry, President of Tiger International Resources Inc. (TGR.V) is pleased to announce that Tiger has joined Warburg Resources in the drilling of a well described as 13-30-16-17 W3M in Saskatchewan. The operator plans to spud the well in late February.

The well is targeting oil production, and is in an area of known production with other producers successfully producing from surrounding lands. Tiger's participation is for 10% of the well becoming 5% after payout.

Warburg Resources has extended the first right for Tiger to participate with it in future drilling opportunities. More announcements will be made as drilling commences.

Tiger plans more involvements in the petroleum industry, and sees a match between petroleum and ongoing mineral exploration as previously announced.

Tiger is listed on the TSX Venture Exchange under the code TGR.V and has 6.9 million shares on issue, and holds an SEC 20F Registration. Inquiries about this news release may be directed to Patric Barry at (949) 362.1600
