Press Release - May 11, 2006
Tiger International Awarded Judgment for A\$122,019

Patric Barry announces: Tiger International Resources Inc (TGR.TSX) has been awarded a judgment against Anthony John Campbell and two of his associated companies in the amount of A\$122,019.

The judgment comes from a costs award that was argued in the South Australian Supreme Court in January stemming from prior litigation from Flinders Diamonds Ltd. Although Tiger was successful on Appeal in the original litigation, costs from an action by Flinders Diamonds against Tiger and a director, and Anthony Campbell and his companies, had been awarded against the five entities, and Campbell settled out directly on a favorable basis with Flinders Diamonds without Tiger's consent. Tiger claimed that Campbell owed 3/5ths of the costs paid by Tiger, and the court has agreed and granted the award to recover the amount of A\$122,019 plus costs in Tiger's favor. Costs will be argued soon and a final judgment against Campbell and his companies entered. Since the judgment is awarded jointly and severally, Campbell is personally liable if his companies are unable to pay.

Any defendant has the right of Appeal, so Mr. Campbell has that right available which may delay collection of this award. Advice from Tiger's counsel is that any Appeal will be unsuccessful and that Tiger will prevail.

Tiger International is a resource explorer with interests in Malaysia and the Philippines and is listed on the TSX Venture Exchange under the code TGR.V. Any questions pertaining to this press release may be directed to Patric Barry at (949) 362.1600
