Press Release – Appointment of Ian Cooper as Exploration Director
March 19, 2009

Patric Barry, the President of Tiger International Resources Inc. (TGR.V) announces that Mr. Ian Cooper, has been appointed a Director of the company, and holds the title of Director of Exploration.

Ian S Cooper BSc ARSM MAIMM FGS has over Twenty Five Year's Professional Experience as an Exploration Manager and Senior Geologist in Mineral Exploration, Project Discovery and Management, and brings achievements in project discovery, promotion and funding. He directed as Exploration Manager a Major Exploration Program over the Last 3 Years in the Southern Philippines for a resource company with an advanced portfolio of projects including a copper/gold porphyry belt and epithermal/gold silver resource. His track record of discovery and recent work includes the discovery of a previously unidentified project which is the first new discovery of its type in the Philippine Eastern Mindanao Mineral Belt in Over 20 Years. Since 1992 he has consulted as an Independent Senior Geologist to the Exploration and Mining Industry, providing management, evaluation and geological services to companies in Australia, Asia and Africa. Previous to that he held technical staff positions in major resource companies. He brings world-wide experience in several commodities including gold, base metals and diamonds with earlier experience in open pit base metal mining, alluvial diamond mining, brown-field exploration at an underground/surface gold/silver mine and had involvement with industrial mineral projects.

Of special interest is that Mr. Cooper was the lead geologist on earlier work on the Esperanza Gold Project in the Philippines of which Tiger International Resources holds 100% interest, having run the earlier drilling and sampling program and is intimately familiar with the project. He is a Qualified Person under 43-101 regulations of the Canadian Securities Industry as well as under the Australian Institute of Mining and Metallurgy requirements.
